Boeing 757 – 200: Standard & Business Class

The 757-200 is the most versatile aircraft in the fleet, giving you even more choice. The three most popular configurations are a) 198 standard, b) 40 business class/108 standard and c) 70 or 98 business class. The split between business and standard seating works particularly well. Plus we can give you other options, just ask us. Beyond this, the modern twin engine jet is quiet, comfortable and can undertake regional and international routes all over the world.
