Boeing 737 – 300: Standard & Business Class

The Boeing 737 – 300 is in a class of its own, and not just because of performance and reliability. We offer two choices of seating within the spacious cabin. The 130 seat standard option (148 is the industry norm) it is suitable for corporate group charters, as well as tour operator programmes. The 44 seat Business Class option offers an amazing seat pitch of 60 inches, which makes this aircraft one of the most comfortable aircraft of its size available for charter and suitable for corporate group charters and intimate company groups.
