

BAe146 – 200 / Avro RJ100

Known as the “Whisper Jet” these quiet modern jetliners are designed to offer the most amazing performance capabilities of any modern day aircraft. Whether operating into small regional airfields or major international hubs the convenience of the BAe146 / RJ100 make it a firm favourite for passengers. A large comfortable cabin and the ability to operate into some of the most environmentally sensitive airports around the world including those with short runways such as London City airport, make this aircraft a world leader.
